

St John's Dance Academy

2019 Semester Tuition Schedule

Registration fee of \$20 per student is due upon registration.

Fall semester features 16 weeks of classes, which started August 12. Classes are billed according to the amount of class time each week – per student. The chart below illustrated how payments are collected three times per semester, representing 1/3 of the semester's tuition.

If your child takes a free trial class during the week of August 26 – 31, your first tuition payment *is due with classes the first week of September* with the first tuition payment representing the last three weeks of the tuition payment time. The next two tuition payments are due on September 23, and November 4.

The spring performance fee of \$50.00 as well as the costume fee of \$50 per costume are both due with the September 23 tuition payment.
